New approach to county data

Learn about CHR&R's commitment to understanding the role of power in shaping community conditions.

- [Introducing a new approach to county health data](#)
- [Keeping it political and powerful: Defining the structural determinants of health](#)
- [Investigating new ways to support conditions for thriving communities](#)
- [Unearthing root causes behind social determinants of health](#)

Building narrative power

Check out our new [Narratives for Health](#) page. Explore guidelines for shifting narratives, examples of applying narrative in public health work and ways to utilize narrative in your community.

Healthy Places by Design (HPbD)

[Healthy Places by Design's](#) Community Action [Model](#) was developed with insights from work supporting successful community health initiatives and a deep understanding of the community change process.
