

Webinar & Discussion Date: August 25, 2020

Green Communities and Equitable Economic Development: Improving Well-being Through Sustainability, Broad Inclusivity, and Innovative Collaboration

County Health Rankings & Roadmaps Tools & Resources

- Check out our [recordings and PDF of slides](#) available for all webinars. Please consider sharing with a colleague!
- [State Reports](#): Find out more about health equity in your state.
- [Explore Health Rankings](#): The annual Rankings provide a revealing snapshot of how health is influenced by where we live, learn, work, and play. Find and use your county data, read our reports, and learn more what and why we rank.
- [Take Action to Improve Health](#): Find strategies that we know work, guidance for setting a plan in motion, and resources to help you partner with others.
 - [Action Learning Guides](#): Blend guidance, tools, and hands-on activities. Our series on understanding and using data is a great place to start.
 - [Partner Center](#): Find guidance and resources to help you identify and engage the right partners.
 - [Action Center](#): Explore step-by-step guidance and tools to help you move with data to action.
- [Learn from Others](#): Sharing the stories of others ignites possibilities and inspires action. Find out about upcoming webinars, learn more about the RWJF Culture of Health Prize, and check out community highlights.
- [What Works for Health](#): Explore our menu of over 400 evidence-informed policies and programs that can help make a difference in your community.
 - [Curation of WWFH strategies for Green Communities and Climate Change](#)
 - Check out [What Works? Social and Economic Opportunities to Improve Health for All](#), a report that outlines key steps toward building healthier and more equitable communities and features specific policies and programs that can improve social and economic opportunities and health for all.

Highlighted Guidance

Explore our [Action Learning Guides](#), which deepen your learning on select topics. These self-paced, interactive guides blend guidance, tools, and hands-on activities.

Receive guidance on why different groups might care about creating a healthy community, what they can do, and how you can engage them when you visit our [The Partner Center](#).

Explore [Key Strategies to Advance Equitable Growth in Regions](#) for guidance on helping communities to plan for equitable growth, remove employment barriers, grow good jobs, and strengthen the education pipeline.

County Health Rankings & Roadmaps

Building a Culture of Health, County by County

A Robert Wood Johnson Foundation program
